OPIO EMMANUEL NICHOLAS

PROFILE

Highly motivated and results-oriented computer scientist driven by curiosity to learn and improve. I continuously explore new tools and methodologies to enhance my work. Whether working on web Applications, mobile interfaces or design systems. I am committed to delivering high-quality results that makes a difference for users and Businesses Alike

WORK EXPERIENCE

1. [School Graphics Designer](#)

2020 to 2022

As a school graphics designer, I have created engaging visuals for various school materials while collaborating with stakeholders to meet their objectives. Using Adobe Creative Suite, I developed branded designs for brochures, flyers, posters, social media, and yearbooks, maintaining consistency and accessibility. Through efficient project management and attention to feedback, I enhanced school communication, branding, and student engagement.

2. [Pump Attendant](#)

2022 to 2023

As a pump attendant, I provided excellent customer service by assisting with fueling, answering inquiries, and processing payments accurately. I maintained a safe, clean environment and proactively suggested additional services. These efforts led to positive customer feedback, 99% transaction accuracy, and enhanced safety and satisfaction rates.

3. [Supermarket POS attendant](#)

2022 to 2024

As a supermarket POS attendant, I provided efficient checkout services, processed payments, assisted customers with inquiries and groceries, while maintaining security protocols. My customer-focused approach led to increased sales, positive feedback, and effective loss prevention, consistently exceeding service standards.

EDUCATION

[Uganda Advanced Certificate Of Education](#)

2020 - 2022

I attained a Uganda Advanced Certificate of Education

[Diploma in Computer Science](#)

2023 - 2025

I have attained my Diploma in Computer Science, equipped with a solid foundation in software development, data analysis and tech innovation. I am eager to apply my skills and creativity to drive impactful solutions and contribute to a dynamic team.
